The game world is full of challenges. To rise among the other lords and increase your wealth, you must learn battle skills, build your stronghold, and manage your lands. To survive in this harsh world, you must also open the way to the most difficult portions of the world, gather rare resources, and build industries. To increase your power, you must use diplomacy, form alliances, and appoint advisors to help you increase your influence among other lords, as well as learn the skills to capture a castle and mine the lands to find more wealth. THE CRAFTING SYSTEM A strong and prosperous Tarnished The Crafting System allows you to not only create weapons, armor, and other items, but also obtain rare items and materials using them. • Unique Crafting System with Useful Resources The Crafting system allows you to use different resources to create items through item-producing techniques. Each technique is accompanied by its own specific techniques that are used to modify the initial item. • Unique Item Development System Developing an item involves obtaining resources and developing technologies to refine the items. Additional technologies are required to increase the stats of your equipments. The secret of mining to win the battle The secrets of mining are the key to the success of the game. As a mine owner, you can collect the mine resources such as gold, iron ore, and diamonds and sell them in order to earn a considerable amount of money. Gathering these resources as well as proper strategy and battle skills that utilize them are the basis of the game and make you a powerful lord with the most powerful weapon. The world in an actual arena The game takes place in an arena. The larger the arena, the more possible conflicts there are in it. You can choose the arena size before you start. By choosing a different arena, you can freely challenge opponents in one in which you can easily fight with stronger opponents in the opposite match to you. This is the best way to improve your battle strength. Classic RPG System At the heart of the game is the classic RPG system. You can equip items and use skills by knowing their class, element, and ability. To change classes, elements, and abilities of items, you can combine the ingredients and use them to develop new skills. BATTLE ACTION RPG FEATURES: • The game world is full of challenges. In a free-roaming map, the game
