August 21, 2013 - Language support during KOF XIII Steam Edition Closed Beta is not limited to English only!! Please feel free to leave your comments. Thanks for your time and effort

First of all, I want to thank everyone for participating in the testing of KOF XIII Steam Edition. Not everyone who participated in the test was able to attend on launch day, but I want to note that everyone who took part in the test or took part in our new application for a mobile device (Play Store) was not left without support. All participants have received their rewards, and we have collected a lot of feedback to improve
